VOLUME LXIV, NUMBER 21 — TIMES-GAZETTE, REDWOOD CITY, SAN MATEO COUNTY, CALIFORNIA, FRIDAY, SEPTEMBER 9, 1932. — ESTABLISHED IN 1859

ESTATE OF PIONEER IS CONTESTED

Cousins Seeking to Break Trust of Mrs. Hartley

Cut off with but $7,000, which they consider an unjust share, three first cousins of Mrs. Jennie E. Hartley, early-day peninsula teacher, today brought suit in Redwood City to break a $100,000 trust created by her four years ago.

In a 33-page complaint, the cousins, Dollie and Birdie Bacon, who made their home with Mrs. Hartley up to the time of her death on August 29, and J. B. Bacon of Windsor, Alameda county, name the Bank of America, Redwood City branch, and Carl E. Wagner, manager, as defendants.

The cousins aver Mrs. Hartley, who was about 88, was of unsound mind when she made the trust agreement on July 3, 1928. They state their belief that she was "entirely without understanding" and could not comprehend the nature of the document to which she attached her name.

Creates Scholarship Fund

In the trust, Mrs. Hartley provided that upon her death sums totaling $25,800 should be paid to relatives and strangers, and $40,000 should be set aside as the "Jennie E. Hartley Scholarship Fund."

Income from this fund was to be used to pay for the education of Mr. Wagner's two children, Carl Jr. and Norma, and after October 1, 1951, this income was to go to educate one male and one female student at Stanford University.

The cash payments provided for in the trust are to the following: Josephine and Marie Bacon, who are the "Birdie" and "Dollie" Bacons designated as plaintiffs, $1,500 each; $2,000 to Bowne Bacon of Windsor, and $2,000 to his wife, Margaret; $6,000 to the benefit of W. O. Hartley; $5,000 to Marvin and Lydia Benson of Los Angeles; $3,000 to Emelie Kelting, Redwood City; $2,000 to Alma Haaker, San Francisco; $1,000 to Emma Haaker, San Francisco; $1,000 to Etta K. Lueger, Redwood City; $1,000 to Richard Barrett Jr., Palo Alto, and $800 to Ellen Gibson of San Mateo.

Son Gets Residue

The Misses Josephine and Marie Bacon are also to be given title to the family home here on Middlefield road, and to three lots on King street at Vera avenue.

All the rest of the estate is to go to the deceased's foster son, Sidney Williams, or Delpha Williams, his wife.

In the complaint, the court is

Col. Frederick Peterson of Burlingame, who definitely today had "cinched" the Democratic nomination as well as the Republican one for assemblyman, following the opening of absentee ballots by the supervisors. The vote failed to alter the standing over the semi-official count.

LA HONDA, PARK ROAD BIDS OPENED

Bids Are Well Under Estimated Costs

Bids were opened on the La Honda and Haskins Hill road projects by the board of supervisitors Tuesday.

Meyer Rosenberg, San Francisco contractor, bidding $27,030 for the grading and surfacing of the La Honda road for a distance of one and one-quarter miles west of the Skyline boulevard, was the lowest of five bidders and won one contract.

Tyson & Karstedt of Redwood City was next with a bid of $28,598.90.

Other bidders were W. E. Lyons, Oakland, $41,386; W. A. Dontanville, Salinas, $43,795, and Peninsula Paving Company, Redwood City and San Francisco, $44,731.

These bids were for the emulsified asphalt wearing surface. Slightly higher bids were submitted for the bituminous macadam (hot oil) paving.

Haskins Hill Bids

On the Haskins Hill road project, H. E. Casey Company of San Mateo was lowest, bidding $26,576. He was given the contract.

Tyson & Karstedt of Redwood City was again second, submitting a bid of $27,751.70.

A. G. Raisch of San Francisco was third with a bid of $28,126.60.

Other bidders were John P. Lawler, San Francisco, $30,257; Dontanville, $34,356; Arthur J. Grier, Oakland, $36,210.50, and Peninsula Paving Company, $40,572.

Alternate bids for the two types of pavement were submitted as in the first instance.

The Haskins Hill road project runs from the Alpine road to the entrance to Memorial Park. On both projects Surveyor James estimated the cost would be about $32,000.

Relief Bonds Advocated by Co. Chairman

An appeal in behalf of the $350,000 relief bonds which the voters of San Mateo county will be called to pass on in November was broadcast today by Capt. Edward Macauley of Hillsborough, chairman of the San Mateo County Committee on Unemployment Relief.

Three thousand heads of families and single men are registered with his committee, he said, and that indicates 1600 families, or 6000 men, women and children, are in need of help. Four hundred and fifty families can be cared for by private committees and city funds, but the other 1150, representing about 4300 individuals, must look to the bond issue.

As a further argument, Director Macauley pointed out the bonds would be sold only as needed. He added that many of those registered for relief are about to lose their homes because they cannot keep up the payments. In urging support for the bonds at the November 8 election, the statement says:

"Can we let men, women and children suffer now; can we incur disastrous liabilities in the health and morale of our citizens in order to keep our ledger clean? Shall we not save them and assume a charge that will be a memorial to the best qualities of mankind?

TRAGEDY SHATTERS ROMANCE

The screen and theatrical worlds were shocked when Paul Bern, above, left, Hollywood motion picture executive and writer who married Jean Harlow, right, fildom's platinum blonde, two months ago, was found shot to death in his Benedict Canyon home at Hollywood. Police said Bern apparently killed himself. The above picture was taken shortly after the producer and Miss Harlow were married. They were known as an ideal couple. No motive for suicide was learned.

County Captures Delphinium Honors at Sacramento Fair

Getting a toehold on the floral sweepstakes, San Mateo county won first prize for delphiniums at the state fair Thursday, making the fourth first captured toward the state's floral honors this week.

Alameda was second, and Santa Cruz, third.

Alameda and San Mateo county are closely battling for sweepstake honors, with San Mateo having 16 points, and Alameda, 12.

San Mateo county also won first prize today for rock gardens, with Alameda second, and took second to the eastbay county in strawflowers, being the first time the county dropped honors in the latter division.

San Mateo county "scratched" for sweetpeas at the Governor's Day judging, the honors going to Alameda, with Santa Cruz second.

Neither of the latter two classifications count toward sweepstake honors, so the county is considered to have virtually cinched top place again.

Word of the county's success at the sttae fair was telephone to Roscoe Wyatt, manager of the county chamber, by Max Leonard, who has charge of the county booth.

Peterson Bests Whitehead By 23 Votes in Final Tally

Featured by the narrow margin of victory for the Democratic nominations for senator and assemblyman, but not changing any results previously announced, the official tally of the August 30 primary balloting was completed today by the board of supervisors.

The board of supervisors Tuesday received five applications for appointments as members of the San Mateo County Traffic Patrol, as follows:

Thomas Harrison, 130 Twelfth avenue, San Mateo; John Coleman, 150 Crocker avenue, Daly City; Harry B. Price, 831 Crossways road, Burlingame; Vincent P. Kentzel, 1251 Capuchino avenue, Burlingame, and Oscar Werner, 206 La Cruz avenue, Millbrae.

Applications were ordered forwarded to Sacramento on motion of Supervisor Rosalie Brown, seconded by Supervisor John W. Poole.

Ask Family Heads At Voting Booths

Request was made to the board of supervisors Tuesday that it lend its effort to placing unemployed heads of families on the election boards in November, in a communication sent to the board from the San Mateo Building Trades Council.

The board, upon motion of Supervisor Rosalie Brown, expressed willingness to take this step and will do so "as far as possible."

SAFETY OF CROSSINGS IS ARGUED

Councilmen Differ In Views on Best Protection

The city council is unanimous in its desire to protect the public at local railroad crossings, but opinions of councilmen differ as to the best means of assuring such protection.

This became evident Tuesday, when the council met in regular session at the Middlefield road firehouse. The board had before it a request from the Southern Pacific to approve the replacement of a flagman at the Spruce street crossing by a new type of automatic signal.

Councilman Henry Beeger, who has heretofore felt that the flagman is the best protection, said he had somewhat changed his views after talking with officials in San Mateo. They have found

Revaluation Of Property Begins Here

Deputies from the office of Daniel Flynn, county assessor, began today to reappraise property in Redwood City.

Real estate and business and residential buildings are subject to inspection. The work here is part of the task of reappraising the entire county, which began last January at Daly City.

The deputies completed San Mateo Saturday, and moved to the county seat Tuesday.

Assessor Flynn said that most people were co-operating in the work, but that occasionally the deputies were refused admittance. In such cases, arbitrary assessments are used.

Former Resident Dies in San Jose

Funeral services were held on Thursday morning at 11 o'clock in San Jose for the late Mrs. Lucinda A. Harris, formerly of Redwood City, who died at her home in Santa Clara county Monday afternoon.

Mrs. Harris, who was 77 years of age, was born in Kenosha, Wis. She came to California 54 years ago. All her life she was associated with printers and newspapermen. Her husband, J. E. Harris, was employed on the Mercury-Herald in San Jose in their early life, and then they moved to Redwood City, where he was with the Times-Gazette from 1908 to 1919. In the latter year, they returned to San Jose.

Mr. Harris was for a number of years secretary of the Masons here. He passed away six years ago.

Mrs. Harris took an active part in the affairs of St. Peter's Episcopal Church here, and was leader of the choir there. She held memberships in the Woman's Relief Corps, order of Pocahontas, Eastern Star and Rebekahs. The two latter organizations will have charge of the rites tomorrow.

Two sons survive. They are L. E. Harris, editor of the Menlo Park Recorder, and Frank N. Harris, San Jose. There are two grandchildren, Mrs. Ruth Bradley and Mrs. Leah Thompson, both of San Jose, and a great-grandson, Gerald Bradley.

A brother, Charles L. George, resides in Long Beach.

Exchangites Hear Returned Traveler

Ellis Benson, athletic director at the Half Moon Bay High School, gave a talk to the Exchange Club at its regular meeting in the Hotel Sequoia last night on his trip with Frank Griffin, Sequoia atheletic director, to Mexico, Yucatan, Canal Zone and the Caribbean.

Dr. William B. Langston was the evening's chairman.

Next Tuesday, the club will enjoy a cruise about the bay with the Sea Scouts. Members are asked to bring box lunches for themselves and the Scouts and to meet at the yatch harbor at 6:30 o'clock.

Unemployed Council To Meet on Friday

The Unemployed Council of Redwood City will meet Friday night at 8 o'clock in the former garage at 2317 Broadway, near the site of the former postoffice.

W. H. Kopping, of Eighth avenue, is chairman of the council.

Pretty Redwood City Girls To Be in Store Windows on Evening of "Fall Opening"

COUNCIL SETS TAX AT $1.10

Adoption of an ordinance fixing the amount of money to be raised by taxation for the fiscal year 1932-33 was voted by the Redwood City council Tuesday night.

The sum of $132,132.75 is designated as the amount necessary to carry on the various departments; pay bonded indebtedness and to maintain the public library.

A reduction in expenditures of $47,954.29 is noted in this year's budget, compared with last year's. The budget this year provides for an appropriation of $225,942.78, as compared with the last budget which provided for $273,897.07.

The present budget fixes the total tax rate at $1.10 per $100, a 20 cent reduction under last year, and this represents the largest reduction by far as compared with any city in this vicinity.

A reduction of 25 cents was provided in the city manager's budget, but a 5 cent tax was subsequently added to create an unbudgeted reserve fund of $6,127.15 for emergency purposes.

Already it has been found necessary to arrange for the payment of the salary of the city employment agency secretary out of this reserve fund, since popular subscriptions have not been sufficient to take care of this matter.

Dance Permit Given

The council granted a permit to Tony Belice to conduct Wednesday night dances in Foresters' Hall from 8:30 to midnight, at a fee of $2.50 per night.

Robert E. Bruce, plumber, requested that he be allowed to carry on his trade without establishing a fixed place of business, as required by city ordinance. He said he paid taxes here, had his home here, and that business wouldn't warrant the rental of a store. The council said if it waived the law in one case, it would have to do it for others.

Rail Fares Opposed

At the request of the Greater South Redwood Improvement Club, the council agreed to urge the chamber of commerce and organizations in other peninsula cities to get lower railroad rates for commuters.

The club said that local residents were moving to San Francisco on account of the rates.

Councilman Jones said that the Southern Pacific Company's recent move for revision of its peninsula commutation ticket forms was misleading, since it did not

The retail division of the chamber of commerce announces that applications will be received at the chamber office on Middlefield road, just off Broadway, from attractive young women of the city to appear in store windows the evening of Thursday, September 15, in connection with the annual Fall Opening. Girls from the high school as well as those who are no longer in school are needed for the event.

In addition to the work for the girls, there will be a need of probably a half dozen young men for similar work.

Merchants who desire local young people to appear in their windows are asked to file their requests with the chamber of commerce office as soon as possible. It is requested that merchants designate whether they want one or more girls or boys.

Three Bands Coming

With three bands, representatives of leading civic organizations, city officials, Boy Scouts and Girl Scouts, and a large automobile section, Redwood City will witness one of the largest parades in its history September 15 in connection with the Fall Opening.

The celebration is sponsored by the retail division of the chamber of commerce. Final plans for the big event were concluded at a meeting last evening. The presiding officer was Charles Douglass, who will act as chairman and director general of the parade and the opening.

Over one hundred and fifty all activities in connection with thousand dollars in new merchandise will be displayed when windows are unveiled in local stores the evening of the celebration.

Besides the interest created by live models in the store windows, this feature will provide considerable employment.

The bands in the line of march will include the large Sequoia high school band, under the leadership of Max Gelber; the 70-piece county Boy Scout band, which created a sensation at the American Legion state convention at Oakland, and the bugle and drum corps of Legion Post No. 105.

In addition to the bands there will be over 100 Boy Scouts in line, a large contingent of Girl Scouts, representatives of the service clubs, members of the city council, mayor, city manager, chief of police, chief of the fire department, and other officials.

Friendly Indians Hold First Meet

The Sioux Friendly Indian Tribe, under the program of the Young Men's Christian Association, met at Lincoln School Tuesday afternoon for its first meeting of the year.

Roy A. Hohberger, the local Young Men's Christian Association secretary, was present and told the boys of the activities which are being planned for the boys of 8 to 12 years of age in this area during September and October, including the Friendly Indian Pow Wow for Northern California which will be held on Saturday, October 1, at Golden Gate Park.

Byron C. Curry and Billy Dusel will be the "Big Chiefs" for this tribe this year.

The boys are planning on a membership campaign to start this week.

Own Home City Backs Senator

According to the official count by the board of supervisors, Senator Samuel M. Shortridge won his home city for United States Senator by 10 votes. The unofficial report showed that the senator had lost by a slight margin.

Senator Shortridge carried his own precinct at Atherton by a large vote. He also had a majority at the veterans' hospital near Menlo Park.

Officer Herman Fleishman of the Redwood City Police Department escaped injury shortly after 8 o'clock Tuesday when his car and one driven by Emile G. Clifton, 38, of 29 Boyce street, San Francisco, collided two miles north of Redwood City on the Bayshore highway.

Burlingame's Tax Rate Cut

BURLINGAME, Sept. 7.—The city council set the tax rate last night at $1.45 per $100, a reduction of 10 cents from last year's rate.

The board also adopted a resolution fixing fees for contracting ranging from $5 to $25, which will be doubled for outsiders. This rate is to retaliate for the fees charged in San Mateo.

Armed Thugs Hold Up Couple

BURLINGAME, Sept. 6.—Fred Norquist, 1201 Howard avenue, while parked with a girl friend near Casey's quarry, back of Hillsborough, was held up by two armed bandits last night. He gave up $9 to the thugs.

One of the men had a revolver and the other carried a flashlight, Norquist told police. The holdup disappeared on foot into the darkness.

Woodpile Saves Youth From Jail

An old-fashioned woodpile today saved Glenn J. Bowers, 24, from a term in the county jail when he appeared before Superior Judge Franklin Swart for sentence on a charge of passing a check for $35 on Simpson Reinhard, local jeweler.

Bowers' counsel told the court that the youth has a job cutting wood if he can secure his release. Judge Swart then placed him on two years probation, withholding a jail term so he could go free immediately.

Leonard J. Cormier, 29, who has a record for burglary in West Virginia, took the blame for the check. He previously was sentenced to San Quentin.

Boy, Girl Drown At Family Picnic

DALY CITY, Sept. 6.—Sallie Johnson, 16, of 139 San Diego avenue, drowned in a Labor Day outing at Tracy yesterday when a San Francisco boy hero vainly tried to rescue her, sacrificing his own life in the attempt.

The drowned youth is Travis Trumball, son of Bert Trumball, 318 Acacia street, San Francisco.

Miss Johnson is the daughter of Chris Johnson of Daly City.

Both lost their lives in full view of their parents who had taken them on a double family picnic for the holiday.

Mrs. Ada Butler of Grand Rapids, Mich., made a voyage of 125 miles by rowboat over waters of her home county.

Harbor Development Plans Will Be Pushed Here Soon

After "laying low" for several months, the San Mateo county harbor committee is showing signs of renewed activity, it became known today.

Chairman Carl Stoner of Redwood City has appointed a committee, county-wide in representation, to meet soon for the purpose of laying plans for a port district, as provided by an act of the last state legislature.

The committeemen are Judge John J. McGrath, San Mateo; Mayor C. A. Buck, Burlingame; Charles Eyre, Atherton; Percy Shaw, South San Francisco; and R. Guy Smith, Moss Beach.

This committee is to study the proposal to create a port district, which would make possible the creation of a deep water harbor near Redwood City; the construction of facilities for loading, unloading and storing cargoes; and the management of same. It will also recommend the size of the district, which may take in the entire county, or less. Findings of the committeemen will be turned over to the county harbor committee, of which Stoner is the head and Howard I. Wood, manager of the local chamber of commerce, secretary.

It was pointed out that there is no bond issue or other expenditure involved in the steps being taken at this time. Creation of a port district, however, would possess valuable advantages for the future welfare of the deep water port project.

In the meantime, Stoner, Wood and City Manager E. A. Rolison are making arrangements to confer with the division engineer of the war department in San Francisco. At this conference, proposed changes in the turning basin at Redwood harbor will be among the matters discussed

New Peninsula Train Fares Win Rail Body's Approval

Following closely action of the city council to start a movement for the reduction of commutation fares on the peninsula, word was received here today that plans of the Southern Pacific for a general revision of peninsula commutation ticket forms, together with certain rate changes, have been approved by the state railroad commission.

At Monday night's council meeting, the Greater South Redwood Improvement Club submitted a letter, in which it was declared that a number of residents have been obliged to move to San Francisco on account of the rail rates. The club asked the council to take the lead in a movement for the reduction of rates for regular commuters. Mayor William J. Dusel appointed Councilmen Charles Lambert and Robert N. Jones as a committee to take up the matter with the chamber of commerce, and other peninsula groups.

The one-way fare reductions are to become effective September 15, and will be followed by the changes in commutation tickets October 1.

Regular week-day commuters between peninsula cities and San Francisco will not be affected by the revision, but the present monthly commutation tickets good for seven days a week are to be superseded by monthly "unlimited" ride tickets, without any increase in price.

In addition to the monthly commutation tickets, the S. P. will provide a seven-day weekly unlimited ride ticket for sale between all stations in the territory involved. This class of ticket is intended to accommodate persons on occasions when they do not require transportation for the full month.

The new one-way fare from Redwood City to San Francisco will be reduced from 96 cents to 50 cents.

Menlo Park

Mayor Weeden, wife and grandson, attended the state fair at Sacramento during the week-end.

Miss Ruth Rugaard has returned to her home in Walnut Grove after spending ten days with her friend, Miss Carmel O'Keefe. Miss Rugaard is attending the College for Women in San Francisco. She is a very charming and talented young woman.

Yesterday Judge Buck of Redwood City appointed Edward Gibbon executor of the estate of his mother-in-law, Mrs. Mary Ann Edge, formerly a resident of Menlo Park. George Edge, husband of the deceased, resides in Hermosa Way, Menlo Park. The value of the estate exceeds the sum of $10,000. James T. O'Keefe is the attorney for the executor.

Mr. and Mrs. E. E. Quayle have just received further news of the success of their niece, Jean. At a recent examination held under the auspices of the Faculty of Teachers in commerce, Miss Jean Cowley, who has just completed her first term as a student at the Oakworth Secretarial College, Southport, England, has successfully passed with distinction the elementary grade and intermediate grade of shorthand theory. During the Christmas term, Jean passed her senior Cambridge examination, gaining distinction in history. The young lady is to be highly complimented and congratulated. She has the best wishes of the people of Menlo Park for future success. Jean resided here at one time and is widely known.

Joseph Veverka, the popular station agent, is enjoying a well-earned vacation in Southern California. His brief respite from labor will certainly be enjoyed by him. No man works harder or has so much responsibilities.

"Tommie," the railroad cat is dead. One wintry morning ten years ago, Tommie, as a kitten, wandered into the gate house of the flagman on Oak Grove avenue, and was taken in by the kind flagman and fed and there Tommie remained ever since, the men at the gate house sharing their meals with him and permitting the cat to enjoy the heat of the small structure. Tommie was a great favorite with all in the neighborhood. "He that liveth by the sword shall perish by the sword," so Tommie spent much of his time on the railroad tracks, always moving away when the trains passed and he generally knew their arrival, but Tuesday night he was caught napping. That day he had caught a snake and was toying with it on the tracks, unconscious of the approach of the Lark and was run over and that was the last of Tommie. Joe, the kindhearted gateman, gave the feline a decent burial.

Harry E. Hallett, the Redwood City grocer, has leased the building on the highway owned by the Associated Oil Company, and formerly occupied by W. L. Roper, for a complete food store. Mr. Hallett owns two stores in Redwood City. He will carry a full line of meats, groceries and vegetables.

The Menlo Fruit Store has leased the Maloney corner just across the way and the concern will maintain its present place of business at the postoffice. There is only one vacant store building in Menlo Park and a lease on that is about to be executed. Business is brisk in town and soon Old Man Depression will be pushed to the background.

Rev. Father Thomas Kennedy has left on a three weeks' vacation to be spent in the East. Father B. Burke is in charge of the affairs of the parish in his absence.

Miss Julia Kearney departed last Sunday for Dubuque, Iowa, where she will enter St. Joseph's convent to begin her novitiate as a nun of the Blessed Virgin Mary Order. Miss Kearney expects to be sent to the branch house in San Francisco within two years where she will teach. Miss Kearney has given up her school work here to devote her life to the religious training of youth within the convent walls.

Mr. and Mrs. Evan Williams of Menlo Park are guests of Mr. and Mrs. William Magee Jr. at Summit near Soda Springs. They will be away for several days.

Mr. and Mrs. Alan Field and their daughter, Miss Margaret Field, are staying at the Menlo Country Club for the next fortnight.

Miss Margaret Harrington, the very charming and pretty daughter of Mr. and Mrs. Thomas Harrington of this city, was united in marriage to Warren Natwick, principal of the Lawrence school at San Mateo, at the home of the bride's sister, Mrs. Frank Gainer, Redwood City, last Saturday. Mr. Frank Gainer was the groom's man, while the maid of honor was Mrs. Milton Marcus, sister of the bride. Father Ouvrard, St. Patrick's Seminary, a friend of Mrs. Natwick, performed the ceremony that was witnessed by about fifty guests, relatives and friends of the contracting parties. The wedding dinner over, the young couple departed for the honeymoon to be spent in Southern California. On their return Mr. and Mrs. Natwick will live at San Mateo where the groom has prepared a cosy home for his winsome young wife.

In farewell to Mrs. W. B. Simpson, who is to return soon to her home in Chicago after a summer at Atherton, Mrs. Felix S. McGinnis of Menlo Park gave a luncheon today. Among those present was Mrs. Lloyd Schultz, who is to leave tonight for New York. She and Mr. Schultz are touring California. The latter is a brother of Mrs. Harold W. Law of San Francisco, who gave a buffet luncheon yesterday for the visitors.

Mr. and Mrs. Theodore Ellis Stebbins (Mary Emma Flood), who are passing the summer at "Linden Towers," the Flood estate on Middlefield road, will leave soon for their home in New York for the winter. Mrs. Flood and her son, James Flood, will spend the season in their San Francisco home.

The official count of the returns of the late election by the board of supervisors shows that Senator Samuel M. Shortridge carried Menlo Park by 10 votes. The unofficial report made Tallant Tubbs the winner by a slight vote. The fact that the senator received a majority of the votes of his home city is very gratifying to him and his friends. The senator carried the veterans' hospital as well as nearby precincts. Mr. Shortridge won a victory over his opponents at Palo Alto. His home precinct at Atherton gave him a splendid vote.

Coast Pioneer Taken by Death

John Francis, brother of Chairman Manuel Francis of the San Mateo County Board of Supervisors, died late Tuesday in a San Mateo hospital.

Mr. Francis was roadmaster of Fourth Township, and had lived on the coastside for half a century.

He had been ill in the hospital for two months, but apparently no inkling that death was near came to Chairman Francis, who presided at the supervisors' meeting until 4 o'clock yesterday.

Mr. Francis is survived by his widow, Katherine, and five sons, two daughters and two sisters.

Funeral services were held in the Sneider & Dutra chapel at Half Moon Bay today at 9:30 o'clock; thence to the Our Lady of the Pillar Catholic Church, where mass was celebrated.

San Mateo Tax Drops 14 Cents

SAN MATEO, Sept. 7.—Another stormy tax session broke on the city council last night, and amid the boos and hisses of protesting members of the Tax Reduction League, of which R. P. Schwerin is president, the board fixed the rate 14 cents, 2 mills under last year's.

On the suggestion of Nathan Van Patten of the Stanford Library, the council cut the library budget by $4,660.

The hoatzin, a remarkable bird found in tropical America, has a pair of claws on its wings.

Woodside

The hot weather of last week, although a discomfort to some, was a boon to the prune growers of this valley helping much in the rapid drying of the crop. At the Folger ranch more than six tons of fruit have been brought to the drying yard each day which in slow drying weather would have taxed the facilities of the yard. This week will see the end of the prune harvest here.

The last week-end saw the flight of the stork from the Family Farm back to the chimneys and roof-trees in San Francisco. While certain members will remain at the Farm for a week or two longer, the official closing of the summer season took place on Sunday.

The first dental clinic of the school year was held at the Woodside School on Tuesday and the oral cavities of fifty-six children officially inspected.

Menlo Park Crash Injures 5 Persons

Five persons were injured and one motorist was cited for reckless driving, after a three-car crash just north of the San Francisquito Creek bridge on El Camino Real, south of Menlo Park, at midnight Saturday.

Cars were driven by George Fabbro, Box 461, Redwood City, who was turning into the highway from Cambridge street, Stanford Park; Lee J. Reddington, Box 93, Los Altos, and Bradley Plymire, San Francisco, who struck the wreckage of the other two.

Fabbro, Emil Ratti and Reddington suffered injuries to their knees.

Mrs. T. Craig, 550 South Ninth street, San Jose, riding with Reddington, was bruised about the face, and an onlooker, Junius Wimbley, a Negro, of 221 Channing street, Palo Alto, was bruised on the hip when Plymire's car struck the others.

Officer E. A. Parr of Palo Alto signaled for Plymire to stop, and on his failure to do so, he was cited for reckless driving.

Menlo Park police handled the investigation.

Swart Scores Parents for Visits By Young Girls to 'Blind Pigs'

"I cannot conceive of children of that age (16) going into a 'blind pig'."

This was one of the observations of Superior Judge Franklin Swart last Friday as he sentenced Phillip Wilson of Redwood City to San Quentin on a charge of improper conduct toward a 16-year-old Redwood City girl.

A jury sitting in the case recommended the San Quentin term for Wilson.

District Attorney Edmund Scott and his assistants, Richard O. Bell and Harold Anderson, prosecuted Wilson.

Judge Swart, at the conclusion of the trial, remarked:

"Members of the jury, I know you have had a trying day. I do not know when I have had a case more shocking; shocking, in the first place because a diploma from our high school does not mean for more good sense than to desist from drinking whisky. I really cannot conceive of a graduate of a high school indulging in the use of whisky. I cannot conceive of a mother, if that be true, permitting her daughter to treat a young friend at their home to whisky. I cannot conceive of young people of that age going into a 'blind pig.'

"The good women I talked to a little bit ago said: "How in the world is it that these speakeasies exist?' 'How is it that these things are going on?'

"Well: I will answer it by saying that the public seems to want it. If we had all the forces of the United States we could not stop it unless the public thought differently. If we had all the police in the United States we could not stop girls going out at nights with men in automobiles—little girls—unless mothers think differently.

"We are going to have these spectacles just as long as our mothers and our fathers lend themselves to that sort of thing."

Wood Wins Tennis Honors at P. A.

Cy Wood of Redwood City, winner of the men's singles and doubles championships in The Tribune's annual tennis tournament in August, won additional honors over the week-end when he triumphed in a tournament at Palo Alto by defeating Stan Lourdeaux, No. 1 man on the Santa Clara University net squad, in the finals. The scores were 6-3- 9-7.

Wood defeated John Cassel in the semi-finals while Lourdeaux eliminated Victor Ricketts in extra sets.

In addition to Wood, several other Redwood City tennis players have signed up for a tournament in Palo Alto Sept. 17 and 18. They include Harold and Waldo Munday, Farrell and Dave Buckley and Sergius Bryner.

Exhibition matches at the Menlo Country Club Sunday saw Bud Chandler and Gerald Stratford defeat Phil Neer and Elmer Griffin, 9-7, 7-5.

Frances and Ferdinand Stent won the mixed doubles match from Katherine Stent and Charles McCormick, 6-3, 7-5, and Merrill Morsehead and Charles McCormick paired to win men's doubles from Frank Erlin and Charles St. Goar, 6-3, 4-6, 6-3.

Occupants Unharmed As Two Autos Crash

Occupants escaped uninjured when two automobiles collided head-on on the Portola road at the Burk ranch five miles west of Menlo Park at 7:45 o'clock Sunday night. The cars were driven by Henry Mattos, 20, of box 467-F, San Jose, and Salvador F. Caramazza, 24, of 1303 Rhode Island street, San Francisco.

Capt. James B. Logan and Officer Chester Kreiss of the local highway patrol investigated and filed a report with the Redwood City bureau.

Miss O'Boyle Pens Poem In Berlin

Miss Adrienne M. O'Boyle, who accompanied the San Mateo county delegation and the San Francisco contingent to Ireland last June, has demonstrated her poetic ability in the following lines composed by the young lady while in Berlin. She is a winsome and accomplished girl who became very popular with her fellow passengers:

A FOURTH OF JULY IN BERLIN
By Adrienne M. O'Boyle

There's a land across the ocean,
Where today, our hearts have flown,
It's a place where loved ones linger
And to us—it's "Home Sweet Home."

Today that land rejoices,
Old Glory's flying high
And our friends are gayly singing
It's the Fourth day of July.

We have crossed the wide Atlantic,
We have passed thru many lands,
We have delved in ancient history
Walked, where the past still stands.

But today—a homeland triumph
Sends its song across the wave,
And we pause—just to remember
How freedom came to the brave.

Let us give three cheers for Glory,
For the Red, the White and the Blue,
For the stars that keep on shining,
Ever bright, and clear and true.

"Look dear, only $24.50"

He thought she must have meant the down payment . . . but she meant the *whole price* . . . only $24.50 for a scientific, gleaming white metal, 1932 ice refrigerator. And the ice company gave her easy terms and a generous allowance on her old ice box.

Ask your ice man about these modern ice refrigerators that cost far less to buy and operate than any substitute for ice. And remember, only an ice refrigerator can keep food fresh . . . for only ice gives Safe Cold plus Flavor Protection.

faith in America is restoring good times

The same kind of faith, courage and confidence that guided and sustained Washington, Lincoln and other outstanding Americans through periods of stress and storm is surely, if not rapidly leading this nation back to rational thinking and acting.

Through the newspapers, and other effective media, Bank of America continues to send out constructive messages of encouragement and confidence to the people of California—messages based not on theories, but on fundamental facts.

The news columns of this newspaper bear many evidences to show that the banishment of fear, and the restoration of confidence in our Nation, are bringing back good times. We—all of us—must labor unceasingly until every unemployed man is back at work.

COUNCIL SETS

(Continued from Page One)

mean a saving for regular commuters.

Mayor Dusel appointed Councilmen Lambert and Jones as a committee to take up the matter with other groups.

Mayor Dusel, City Manager Rolison and City Clerk B. E. Myers will attend the forthcoming League of California Municipalities convention in San Diego.

Garbage Control Sought

The council authorized the city manager and city attorney to draw up a form which would provide for the supervision of garbage collections by the city.

It is proposed to operate the service on a percentage basis. The city would get a percentage of the receipts, and citizens would pay the city instead of some private garbage collector. No increase in rates would be asked. The city would make, it is estimated, between $200 and $300 per month, but the purpose of the plan would be to stop the promiscuous dumping of garbage which now exists, and which is becoming a greater problem daily.

A similar plan has been operated in Palo Alto for a number of years, and is said to be satisfactory to all parties concerned.

Provision would be made for those persons who desire to dispose of their own garbage, but they would require a permit, and be asked to give evidence that they were making suitable disposition of their garbage.

Charter Fund Voted

The council, on motion of Councilman McCarthy, voted to appropriate $150 for the use of the county charter study committee in placing the new charter before the people prior to the November election. The money will be available only if the charter committee obtains $750 more from other peninsula cities.

Councilman Lambert said he was impressed by the charter signing ceremonies, and that he believed that the freeholders had done much good work. He thought the charter should be given every chance of passage.

Auditing Bids Received

Six bids, ranging from $600 to $325, for auditing the city's books during the new fiscal year, were opened last night. The board postponed action for two weeks.

ESTATE

requested to find that undue influence was exerted in preparing the document, and it is requested that the indenture be set aside; that the bank be instructed to pay over to the administrator all funds and assets, that deeds be returned to her estate, and that titles to real property held by her be quieted.

The guardian of the estate, appointed by Judge George H. Buck on July 2, is Attorney Richard W. Barrett, and the guardian of the person was Birdie Bacon, appointed by the court on June 27. Plaintiff Bacon and Miss Birdie Bacon both sought to be appointed as guardian of her estate some months ago when they sought to establish Mrs. Hartley as an incompetent person Judge Buck however, appointed Attorney Barrett.

Was Pioneer Teacher

Mrs. Hartley began her teaching career at Purissima in one of the first schools to be established on the peninsula.

In 1870, she met and married G. P. Hartley, of New York. They taught school at Half Moon Bay, and later at Redwood City. Mr. Hartley also served for 11 years as county head of schools.

Attorneys handling the litigation filed today include Barrett & Barrett, Treat & Ogden, and W. D. L. Held.

sist of entries of new cars by local dealers.

The line of parade will be from the place of formation at the junction of Broadway and Brewster avenue in front of the Methodist church, thence to the highway and down Broadway to Main; on Main to Middlefield road; thence on Middlefield road to the intersection of Broadway, which will be the place of disbanding the entries.

Following the parade the Boy Scout band will put on a half-hour concert at the east entrance of the court house.

Greatest in History

Following the aggressive retail program started in Redwood City several months ago, it is the intention of the retail division to make the fall opening this year the greatest in the history of Redwood City. It is planned not only to make it a great mercantile event, but a great civic event. Recognizing that the stimulation of retail buying throughout the country will mean the reopening of more factories, it is planned to leave no stone unturned in the constant effort to improve Redwood City as a retail shopping center.

Continuing the plan of endeavoring to bring about better co-operation between the merchants, Chairman W. D. Ryan has appointed a committee of three including Kendall B. Towne, chairman; Sam Winklebleck, and Milton Hinds, whose duties are to call on five merchants within one week after their appointment.

These calls are simply for the purpose of promoting good fellowship and better understanding between the merchants of the city. When the first committee has called on five merchants they will turn in the names of those called upon to the chamber of commerce and nominate their successors to serve on the same committee. Under this plan there will be a new committee of three each week to call on five additional merchants.

SHORTRIDGE DESERVES CREDIT FOR LONG SERVICE TO PUBLIC

We agree with the San Mateo Times in the following brief editorial which covers the ground in a few words:

"Sam Shortridge is one of the victims of the demand for change in government, and as he bows out of office after a long and successful career, let's give him a pat on the back with a word of commendation for his public service. Public service is ever thus."

—o—

'WHO BUT HOOVER?' HAS BEST ANSWER IN 'NONE BUT HOOVER!'

The Republicans of California are about to start the campaign for the re-election of President Hoover. That Mr. Hoover will carry his home state there is no question. A convention is to be held at Sacramento on September 15 to select a new state central committee to handle the campaign.

Mr. Hoover has been much maligned and abused, but amid the din of the storm and the crash of the waves, Herbert Hoover has kept his head. The greater the stress the more patiently he has bent to his task, the longer he has kept at his desk, the wider the horizon of his search for causes and remedies. He entered office with high hopes and lofty hope for constructive service to the general welfare of his country. Disillusioned, but not deterred, by the selfishness and partisan antagonisms of politics, forced to turn for the time from his dreams as a builder to cope with situations created not by him but by causes which are rooted in war, he has carried on, meeting crisis after crisis, patiently and constructively. Wholesale libels, caustic criticism, misrepresentation have not swerved him from his duty to the whole people.

Herbert Hoover has refused to bow to panic. The heavy weight of executive responsibility which he has always borne has been his greatest defense. He has refused to give way to despair. In the face of international complications of far-reaching economic and political import, his broad experience and intimate knowledge of international affairs has equipped him for this task. In the same special way that the qualifications of Washington fitted him for the difficult problems of the infant republic and that the patient perseverance of Lincoln made him the man of destiny in the Civil War—in that same special sense his training, equipment, and experience have fitted Herbert Hoover for the stress of this economic crisis.

Already the skies are lifting. Already the horizon is clearing. Soon, it may be said that, the rock upon which the tempest spent its force, was the faith and courage of Herbert Hoover. And, next November, when the legions of our fellow citizens march to the polls, the universal answer to the question "Who but Hoover," will be "None but Hoover"!

SAFETY

(Continued from Page One)

the signals satisfactory, he stated.

Gates Favored

Councilman Robert Jones told the council he had investigated the crossing situation, and that he was convinced that manually operated gates offer the best protection. He said the Spruce street crossing was the worst in town.

Jones made a motion, seconded by Councilman George McNulty, that the council notify the Southern Pacific and the railroad commission that it believes it better to have a flagman at Spruce street than the signal.

The vote was three to three, and Mayor William J. Dusel then cast the deciding vote against the motion.

Second Tie Vote

Thereupon, Councilman Paul McCarthy moved, seconded by Councilman Charles G. Lambert, that the council approve the recommendation of the railroad commission that the Southern Pacific install the signal at Spruce street, and that the signal be equipped with a two train indicator.

Again the vote was three to three, and again Mayor Dusel broke the tie by voting against the motion. He said he felt, in each case, that so important a matter should not be decided by such a narrow margin.

It was pointed out that the Southern Pacific may install any type of protection it wants, but that it was seeking the approval of the city as a matter of courtesy.

The council finally agreed to road company to appear before invite representatives of the railthe board and explain the advantages of the automatic signal. Several of the council said they could scarcely vote "intelligently" without fuller knowledge of the proposed signal.

Motion pictures were shown of the V. F. W. home at Eaton Rapids, Michigan, and four of the children there were presented by Mr. H. Adams, administrator, and Mrs. Adams.
